QUESTION 290

Which of these statements about Service Desk staff is CORRECT?

- A. Service Desk staff should be recruited from people who have high levels of technical skill to minimize the cost of training them
- B. The Service Desk can often be used as a stepping stone for staff to move into other more technical or supervisory roles
- C. The Service Desk should try to have a high level of staff turnover as the training requirements are low and this helps to minimize salaries
- D. Service Desk staff should be discouraged from applying for other roles as it is more cost effective to keep them in the role where they have been trained

Correct Answer: B

QUESTION 291

In Service Operation, if too much emphasis is placed on 'Stability', what might the likely outcome be in terms of responsiveness to customer needs?

[Download Full Version ITILFND-V4 Exam Dumps\(Updated in Feb/2023\)](#)

- A. Customers needs will be met more easily because of the improved stability of the services with fewer failures to disrupt timely delivery
- B. From the information given, it is not possible to comment regarding the impact on responsiveness of over-emphasis on stability
- C. There is only likely to be a positive outcome from improved stability - the customers must be made fully aware of this and their expectations regarding responsiveness must be managed
- D. It is possible that responsiveness may suffer and customers needs may not be met within business timescales

Correct Answer: D
