You have an Exchange Online tenant.

You need to ensure that the users in your company's finance department can select email messages that will be deleted automatically one year later. The solution must apply only to the finance department users.

Which two actions should you perform? Each correct answer presents part of the solution.

NOTE: Each correct selection is worth one point.

- A. Publish a label to the finance department.
- B. Create a data loss prevention (DLP) policy that uses the sensitive information type.
- C. For each mailbox in the finance department, configure the retention policy settings.
- D. Create a label that has a retention setting of one year.
- E. For each mailbox in the finance department, configure Message Delivery Restrictions.

Correct Answer: AD

Explanation:

Create a retention label and publish it to the finance department users.
