- A. Project Assurance
- B. Project Manager
- C. Corporate or Programme Management
- D. Project Support

Correct Answer: A

QUESTION 40

Additional Information

Chief Executive Officer (CEO): He started the company 25 years ago and knows his job very well. He injured his leg two years ago which has restricted his visits to the engineering area. As CEO he has an overall perspective of the business strategic requirements and the authority to commit resources as required.

Marketing Director: She has been with the company for three years, following a successful career with a publicity company. She has the ability to represent the needs of the business, particularly as this is a marketing project. She has the authority to commit the annual business marketing budget, from which the project will be funded, as she sees appropriate. She will be responsible for monitoring the expected benefits of the calendar, in particular the improvement of the company's image.

Engineering Manager: He has been responsible for many engineering innovations in the company and is still as keen and energetic as the day he started. Whilst he will not be part of the project team, his staff will feature in the photos for the promotional calendar.

Central Records: This group of five staff looks after all company records and document control. They now maintain all project files.

Bright Lights: This is the local office supplies company. It supplies all the stationery and office equipment needs of the company and will supply the stationery for this project.

Portraits Ltd: This is a professional photographic company with a number of excellent photographers and a history of successful work. This company has been selected to take the photos for the company calendar. It has yet to be decided which of the photographers to use.

Which 2 statements explain why the CEO should be appointed as the Executive for this project?

- A. He started the company 25 years ago.
- B. He knows his job very well.
- C. He restricts his visits to the engineering area.
- D. He has the authority to commit resources as required.
- E. He has an overall perspective of the business's strategic requirements.

Correct Answer: DE

QUESTION 41

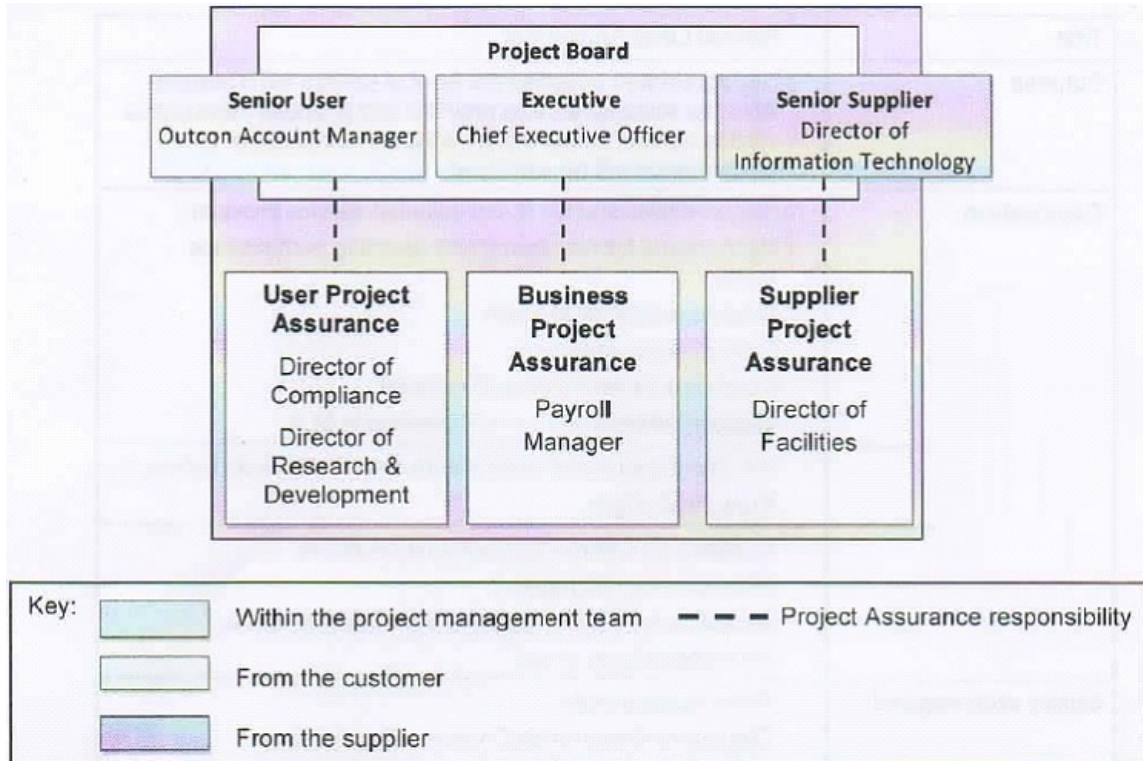

Which of the following statements is true of the business interest on the project?

- A. Ensures the project provides value for money
- B. Ensures the requirements for the project are defined
- C. Ensures the products produced meet the desired quality
- D. Represents the users of the product

Correct Answer: A

QUESTION 42

Additional Information

Further information on some resources who could be involved in the project:

Outcome Account Manager: He represents Outcome which is a recruitment agency that provides specialist outsourcing resources. Outcome provided the consultants who carried out the feasibility study and the same consultants will be providing support and guidance to the Information Technology and Facilities teams during the project.

Director of Finance Division: She was transferred from the Information Technology Division 12 months ago. She is responsible for ensuring a cost-conscious approach is adopted in all operational and project activities across the Ministry of Food Hygiene.

Hardware Manager: Reports to the Director of Information Technology. He provides computer hardware to all business functions but has little awareness of the needs of his colleagues working in software.

Payroll Manager: Reports to the Director of Finance. He is a very experienced and efficient qualified accountant who has much of the responsibility of running the Finance Division on behalf of the Director of Finance. He has been involved in drafting the Ministry's business strategy and assisting in a full business risk assessment. He also drafted the corporate Business Case standards.

Which 2 alternative actions apply to the proposed supplier assurance for this project?

- A. Retain because he has a professional facilities qualification and so is in a position to specify the needs of his division.
- B. Retain because he will be able to advise on many of the products that will enable outsourcing to happen, such as the 10-year outsourcing service contract.
- C. Retain because he is well-regarded within the Ministry because of the efficiencies, superb service and savings he has achieved in the Facilities Division.
- D. Add 'Outcome Account Manager' because he will advise on potential changes and their impact on the integrity of the project's products.
- E. Remove because he is involved with the project and is therefore NOT independent.

Correct Answer: BD

QUESTION 43

Additional Information

Further information on some resources who could be involved in the project:

Outcome Account Manager: He represents Outcome which is a recruitment agency that provides specialist outsourcing resources. Outcome provided the consultants who carried out the feasibility study and the same consultants will be providing support and guidance to the Information Technology and Facilities teams during the project.

in software.

Payroll Manager: Reports to the Director of Finance. He is a very experienced and efficient qualified accountant who has much of the responsibility of running the Finance Division on behalf of the Director of Finance. He has been involved in drafting the Ministry's business strategy and assisting in a full business risk assessment. He also drafted the corporate Business Case standards.

Which 2 alternative actions apply to the proposed user assurance for this project?

- A. Retain because they are both very positive about outsourcing the selected business functions.
- B. Retain because their divisions will be the major users of the outsourced services and they can provide the user perspective on the impact of any proposed changes.
- C. Remove because neither of these individuals are from the business functions to be outsourced.
- D. Retain because selecting only one of them may cause unnecessary conflict.
- E. Retain because they are able to help identify stakeholders and their communication requirements.

Correct Answer: BE
