**Exam Code:** 310-105

**Exam Name:** Sun Certified Solaris Associate

**Vendor:** Sun

**Version:** DEMO

# Part: A

1: Click the Exhibit button. The exhibit shows information about data in Jane's home directory. Which answer describes where the directory named dir1 is stored within the file system.

```
./widgets:
total 4
drwxr-xr-x    2 jane      jane          512 Apr 23 08:36
dir1
-r-xr-xr-x    2 jane      jane          647 Apr 23 08:38
finder

./widgets/dir1:
total 0

drwxr-xr-x    3 jane      jane          512 Apr 23 08:38
widgets

drwxr-xr-x    2 jane      jane          512 Apr 23 08:36
widgets/dir1
```

A.In the inode associated with directory dir1
B.In the directory file called dir1
C.In the ACL associated with dir1
D.In the directory file called widgets
E.In the inode associated with directory widgets
F.In the ACL associated with widgets
**Correct Answers: D**

2: While working in his home directory Jim lists the directory contents with the following result:
```
$ ls -F
affiliates*     daily-report*     fixes        today
appointment     expenses/         phone-list@      windfil>
year-report|
```
From this list of files, which file is executable?
A.affiliates
B.fixes
C.expenses
D.phone-list
E.windfil
F.yearly-report
**Correct Answers: A**

3: Wally has two files with data about dark and light coffee beans. The data is stored in the files named dark_beans and light_beans. The files are in the coffee directory of Wally's home directory. Wally would like to display a sorted list of all of the words from both lists that start with the letter "g" or "G". The files contain mixed case names. Which command line can Wally use to display the

data?

A.sort ./coffee/dark_beans ./coffee/light_beans | grep ^[Gg]

B.cat ./coffee/dark_beans ./coffee/light_beans | grep -i G | sort

C.sort -f ./coffee/dark_beans ./coffee/light_beans | grep g

D.sort ./coffee/dark_beans ./coffee/light_beans | grep -i g

**Correct Answers: A**

4: Your logging into the system as user Val, you are notified upon login that you must change your user password on the system. Your current password is 2co0lu! Choose the password that meets the requirements for a user changing the password on a Solaris 10 system.

A.2co0l4u

B.valiscol

C.2C00L4u2

D.321 123!

**Correct Answers: C**

5: Click the Exhibit button. The exhibit shows both the data from Jane's home directory and a command. Based on the data shown, choose the command that would move Jane into the directory named things.

```
.:
buttons         gadget          new_car_data    snippets
widgets
customer_data   gimmicks        repair          sonic
entity          muddled         search          things

./things:
data-first   fixit        last-data

./widgets:
dir1     finder

./widgets/dir1:

-bash-3.00$ pwd
/export/home/jane/widgets/dir1
```

A.mv ../..

B.cd ./things

C.cd ./../../things

D.chdir ../../things

E.cd /../../things

**Correct Answers: C**

6: A user named Frank issues the following command:

% cal 9 1752

Choose the answer that best describes the number 9 as used in this command line.

A.first argument

B.second argument

C.second option

D.first option

**Correct Answers: A**

7: You attempt to login using the Solaris Login Graphical User Interface (GUI), however an error message is displayed. After closing the error message you are returned to the Login Screen. How would you login to read the log files that were indicated in the error message. Which of the following describes how you can login to read these log files?

A.At the Login Screen select the Options, then Sessions, then Fail Safe Session and login.

B.Reboot the system, login to the CDE Desktop session with your user name and password.

C.From a different system at the login screen select Options, Remote Login and select your system, login to the session with your user name
and password.

D.At the Login Screen select the Options, select Reset Login Screen, login to the session with your user name and password.

**Correct Answers: A**

8: Click the Exhibit button. The user named Val issued a sequence of commands, as shown in the exhibit. Which of the following choices describes the results of the last command executed by Val?

```
$ ps
   PID TTY        TIME CMD
 20653 pts/1      0:00 ps
 20646 pts/1      0:00 ksh

$ cd /export/home/frank
$ cd /
$ cd -
```

A.Changes directory to Val's home directory.

B.-: does not exist is displayed.

C.-: No such file or directory is displayed.

D.Changes directory to the previous directory.

E.Changes to the first directory listed in the current directory.

**Correct Answers: D**

9: Wally wants to list all files in his current directory. Choose the command that will list all the files only in Wally's current directory.

A.echo *

B.strings .

C.ls -a

D.ls -l

E.ls -R

**Correct Answers: C**
